Dear Owner:

## **Re: Enforcement of Covenants, Bylaws, Rules and Regulations. Please Read In Its Entirety:**

This letter is to inform you of steps your Board of Directors are making an effort to ensure that every home reflects the minimum standards set forth by the homeowner's association's Governing Documents. Please note, this letter will heed as a warning to all single-family homeowners of the community for the following items to be addressed and corrected with an extension to **April 30, 2020 due to Covid-19**. If items are not corrected the Board of Directors will have no choice but to call you to a hearing, which can result in fines/penalties against your home by the NC State Statutes 47-F Planned Community Act to **fine up to \$100 per day, per occurrence**. **Playgrounds are off-limits and considered closed during Covid-19 protocols.**

**\*Power Washing:** Most homes in the community are faced with this maintenance issue in regards to darkening or greenish mildew accumulating on the perimeter of the home. Residents are required to keep their property maintained in such a manner as to provide a neat and attractive appearance. If your home has mold/mildew we ask that you make arrangements to have the home power washed. **As for power washing vendors, they are still working as an essential service for sanitation and property maintenance.**

**\*Trash Cans:** Rollout containers must be placed at the curb no earlier than the day before the collection day and must be removed by midnight on the collection day. Rollout containers should not block the sidewalk. Additionally, rollout containers **may not be stored in front or side of a home- this includes the front porch and driveway.**

**\*Trash bags or any waste must always be stored in a container for health and safety reasons as it will attract wildlife.**

**\*Vehicles:** No inoperable, without limitation on motor vehicles without current tags, inspection or insurance, junked, dismantled, on jacks, flat tires or wrecked motor vehicle or parts thereof, shall be allowed to remain on the property. Use a car cover if this is the case.

**- Parking in the front yard, sidewalks or side yards of a lot is a not permitted and is a rule violation.** Driveways can be expanded with concrete only, ONLY provided that you apply for an ARC approval first.

Also, any window blinds that are torn, broken, falling or unbalanced are to be repaired. Blinds are to be in a neat fashion as shown from the exterior of your home. Blinds and/or curtains must be white or ivory facing the exterior of the home.

**\*Shutters:** Review your shutters to ensure they are all secured to the home. Ensure any fallen or missing shutters are replaced. Shutters that are faded will need to be painted in original color.
